TO MINE COPPER IN NEW HAMPSHIRE

Work to Be Begun at Once in Shaft Located on a Farm at Lebanon.

Lebanon, N. H., May 24.—Ernest Bonham, a prominent farmer, has just closed an option of his farm to E. W. Farnham and H. C. Johnson, miners of Vermont, who will open up a copper mine that has been prospected and partially developed. The option calls for a year's time in which to ascertain its value, the amount involved being \$9,000 for the farm.

They will commence work this week with a force of men, and later, if valuable machinery will be used, and possibly a spur track from the Boston & Maine railroad will be run to the property.

This will be an added industry for Lebanon, employing desirable help. Several years ago a mine was opened, and good copper ore was taken out by a company which was formed in Concord and worked for months, but dissensions among the proprietors caused a shut-down, and it has not been worked for the past 20 years. Copper was at that time about 12 cents a pound, and should be a paying proposition now, if it can be mined in sufficient quantities. This is but about 10 miles from Ely, Vt., where there is one of the deepest copper shafts in the east.

N. Y. SENATE PASSES BILL FIXING TWO-CENT RAILROAD RATE

Roads 150 Miles or Less in Length Not Affected.

Albany, N. Y., May 24.—By a vote of 47 to 9, the Senate yesterday passed the bill of Assemblyman Baldwin, fixing at two cents a mile, the rate of passenger fare on all railroads or railroad systems more than 150 miles in length in this state. The measure has already passed the assembly, and now goes to the governor.

Those voting against the bill were Senators Agnew, Cassidy, Fuller, Hinman, Page, Raines, Razo, Smith and Wemple.

TRUSTEES HEARING OPENS

Question of Mrs. Eddy's Capacity Barred

STREETER OPENS DEFENCE

Submits Trust Deed to the Court—Says Incompetency Must Be Proved By "Next Friends"—Defense Opens Up.

Concord, N. H., May 24.—Before an eager audience of Christian Scientists and a strong array of legal talent the great fight over the Eddy millions, an accounting for which is demanded of the church's officers by Mrs. Eddy's relatives, was begun in the superior court yesterday with an argument by Gen. F. S. Streeter to substitute the trustees of Mrs. Eddy's estate as "next friends" and plaintiffs in the suit.

"The time will come when those who have made these charges of fraud and misappropriation will regret it," shouted Gen. Frank S. Streeter with ringing emphasis at the first day's hearing of the Eddy case, on the trustees' motion to intervene as next friends in the suit for an accounting.

"It may not be necessary, but if it is the court might be asked to put its arm out to investigate the motive of these proceedings which the distinguished senator from Washington has come here to present."

While the lawyers were arguing the case in which the relatives hope to establish their charge that Mrs. Eddy is virtually a prisoner in Pleasant View and is ruled by a clique of designing men and women, every word was put into typewritten form and rushed by Alfred Farlow's stenographers to Pleasant View. Neither Mrs. Eddy nor Calvin A. Frye, her footman-coachman, was present in court.

Gen. Streeter was the first to address the court. As he was about to begin he was interrupted by Attorney J. W. Kelly, of counsel for the "next friends," who invited him to go with him to the bench to determine whether their constitution for the court to determine the question of Mrs. Eddy's alleged incompetency and charge that her property has been misappropriated should be dismissed at the outset.

Judge Chamberlain announced that he ruled on the question of Mrs. Eddy's capacity; that he would not try this main question at this time. He said that the question should be confined strictly to the question of the intervention of the trustees as plaintiffs.

Mr. Streeter then went on to say that this suit was brought, not by Mrs. Eddy, but without her knowledge and against her wishes.

"These trustees," he said, "appointed by Mrs. Eddy to take charge of her property, wish to be substituted as plaintiffs in this suit. They ask this as a matter of legal right, and they appear here under the authority of Mrs. Eddy's trust deed."

ACTION TAKEN ON HARRIMAN SOON.

Commission Not to Wait Court Decision—Charge That High Rates Favor Standard.

Washington, May 24.—The Interstate Commerce Commission will not await the result of the proceedings which will be instituted against E. H. Harriman to compel him to answer certain questions put to him during the recent investigation, before it takes action on the general subject of the investigation. It will proceed at once to the consideration of the merits of the general inquiry into the Harriman lines, and reach its conclusion on the facts presented. The report will be made public, and it is very likely that this will be done before the final determination of the proceedings to compel Mr. Harriman to answer is reached. This will probably be in a few weeks. It may be a year, or even more, before final decision can be reached regarding the effects of the Commission to compel Mr. Harriman to answer its questions. The proceedings will be instituted in the courts of the southern district of New York the latter part of this month or the first of next month. If the court should issue an order compelling him to answer, Mr. Harriman may carry the case to higher courts, and eventually to the supreme court of the United States. If the lower court's decision is adverse to the Commission it will take it to the highest court, as the question of a basic right is involved.

BABY WASTED TO MERE SKELETON

In Torments a Year and a Half with Terrible Sores on Face and Body—Hands Tied to Stop Scratching and Tearing at Flesh—But

CURE BY CUTICURA COMPLETE AND SPEEDY

"My little son, when about a year and a half old began to have sores come out on his face. I had a physician treat him, but the sores grew worse. Then they began to come on his arms, then on his chest, and his body. I then on came on his chest, worse than the others. Then I called another physician. Still he grew worse. At the end of about a year and a half of suffering he grew so bad I had to tie his hands in cloth at night to keep him from scratching the sores and tearing the flesh. He got to be a mere skeleton, and was hardly able to walk. My aunt advised me to try Cuticura Soap and Ointment. So great was her faith in it that she gave me a small piece of Cuticura Soap to try and a little Cuticura Ointment. I took it home without any faith, but to please her I tried it, and it seemed to dry up the sores a little. I went to the drug store and got a cake of Cuticura Soap and a box of Cuticura Ointment and followed the directions, and at the end of about two months the sores were all healed. He is now strong and healthy, and I can sincerely say that only for your wonderful remedy, my poor child would have died from those terrible sores. I used only one cake of Soap and about three boxes of Ointment. Mrs. Robert Sheldon, R. F. D. No. 1, Woodville, Conn., April 28, 1905."

ITCHING PIMPLES Cured by Cuticura in Nebraska.

"I had suffered with itching pimples for years. At last a friend told me to get Cuticura Soap and Ointment. I did so and in three weeks my face was entirely cured. I am now a healthy man. Cuticura cures what I will recommend them to other sufferers. Mrs. Florence Delavergne, R. F. D. No. 2, Auburn, Neb., Aug. 28, 1906."

LOCAL GOLF SEASON.

Weekly Tournament Will Begin Wednesday, May 29.

The tournament committee of the Barre Golf club have completed the arrangements for the season's tournaments. The annual weekly tournament will begin Wednesday, May 29, and continue through the summer to September 29. The rules to govern this are as follows:

Tournaments to be played on Wednesdays and Saturdays. Players must select the day of playing at the beginning of the season and play on that day throughout the season, but may change their day of playing during the season on giving written notice to the tournament committee at least twenty-four hours previous to the day on which they had first selected to play on.

No less than six players shall constitute a tournament match. Players shall pair up, convenience rather than choice being the object. Cards must be certified by each player of pair.

Each tournament shall count six points, three to the winner two to the second and one to the third. The player having won the most points at the end of the season wins the medal.

For determining handicaps for successive tournament matches players shall be cut one and one-half, one, and a half a point, if their handicap are eight or less, according as they finish first, second or third. Those having handicaps above eight shall be cut three, two and one point, according to their position.

In case of tie the scores of the following week shall decide. Players failing to turn in cards on the second week shall forfeit their chance.

Players must register at the start and in all cases must deposit cards in box provided for the purpose, when play is finished.

Tournaments begin May 29th and June 1st and end September 29th. Handicap committee reserves the right to readjust all handicaps.

Ground Rules.

Ground rules for the playing of match and tournament games have been fixed as follows:

Rule 1. A ball played into the woods shall be considered out of bounds, and the player shall drop a ball from where his last stroke was played with a loss of distance.

Rule 2. A ball driven into the woods from the tee shall be considered out of bounds and the player may drop a ball on the tee and play on or tee up and play three.

Rule 3. A lost ball at any hole may be replaced by dropping a ball as near as possible to where the last ball was played, with the loss of one stroke.

Rule 4. A ball played onto a fence post or wire must be replaced by dropping a ball as near as possible to where the stroke was played from without penalty.

Rule 5. A ball played onto a hoof mark or old post hole or depression in the ground so that it lies below the surface of the ground may be lifted and played.

Rule 6. A ball played into the stone wall or lying within one club length of the same may be removed or lifted and dropped for the loss of one stroke.

Rule 7. In approaching any of the greens if a ball lies within six club lengths and in the line of any of the holes and the ball may be lifted and dropped but not nearer the hole without penalty.

Rule 8. In dropping a ball under any of the above rules, players must conform strictly with the standard rules for dropping a ball, viz: to face the green that is being played for and drop the ball over the shoulder.

CUBS TAKE ANOTHER

Defeated the New York Giants Yesterday, 5 to 2

BEFORE IMMENSE CROWD

Three Shutout Games in the American League, Boston Being One of the Victims, Going Down Before the Detroit Tigers.

Before another immense crowd of enthusiasts the Chicago Cubs took the third game of the series with the New York Giants yesterday afternoon by the score of 5 to 2. This puts the two teams on the same percentage basis again, tied for first position. Philadelphia strengthened its hold on third place with a shutout victory over Pittsburgh by the score of 3 to 0. Brooklyn was jammed further down into last place by a similar beating from Cincinnati, while the scrappy St. Louis team got away with the Doves in Boston by the score of 4 to 1, an easy victory.

The Cubs pounded six pitchers hard, they being Wiltse, Ames, Mathewson, Taylor, Ferguson and McGinnity. The game was won in the fifth when Mathewson was batted out of the box. Lundgren was hit ten times, but kept them scattered.

There were three shutout games in the American league, Boston losing to St. Louis by the score of 6 to 0, Philadelphia to Cleveland by the score of 5 to 0 and Washington to Detroit by the score of 10 to 0.

LITTLE GIRLS' PLEA.

Moves the President to Set Wheels in Motion to Release Father.

Washington, May 24.—The President has heard the plaintive appeal of little Mary Wagner, that her convict father be pardoned from the Michigan state prison. He has set the wheels of the pardon office in motion, but it is believed that the case is purely one for the Governor of Michigan to consider.

It is another Jean Valjean case, John Allison, a bank robber, escaped after serving six years of a seventeen-year sentence. He married a widow with one child at Winona, and did not tell her of his crime until their baby was born. With the cloud of detection hovering over him, Allison worked manfully until he was recognized and reimprisoned.

In the letter which the little stepsister wrote the President she says her papa "is not a bad man and has been good to mamma and me."

LITTLE BOY BITTEN BY DOGS.

Robert Sanders, of Brattleboro, Attacked by Animals While at Play.

Brattleboro, May 24.—Robert Sanders, aged four years, son of Edgar Sanders, was assaulted and severely bitten by two half-grown bulldogs near his home Wednesday evening. He was playing hide and seek, and as he ran around the house the dogs jumped upon him and knocked him down, biting him many times on both legs, hips, arms and in the face. The child is now confined to the bed, and the two physicians who attended his wounds say he will entirely recover. It is not known who owns the dogs.

TROTTER MEET AT NEWPORT.

International Association Scheduled For August 27 and 28.

Newport, May 24.—A meeting of the International Trotting association of Vermont and Eastern Canada will be held in this place August 27 and 28. A large number of entries has already been received and purses aggregating \$1,500 are offered.

Cannon Stands Pat.

Washington, May 24.—Speaker Cannon, on having his attention called to a report that he is out for tariff revision as a presidential candidate, yesterday said: "I do not know where the grape vine originated. The only knowledge I have in the matter is the report. In the campaign of a year ago the Republican party won a victory which gave the Republicans a majority of 55 in the Sixtieth congress, which organizes in December, next, upon the cry let well enough alone; and I have no doubt that the Sixtieth congress, as elected will be true to the pledges made in the campaign."

INDIAN RELICS FOR HOWDOIN.

Another Find on the Ochee Spring Farm at Johnston.

Brunswick, Me., May 24.—The discovery of another quantity of Indian relics in an old quarry on the farm of Ochee Spring at Johnston, N. H., near Providence, was announced in a private message received today by Charles A. Coggeshall of the Rhode Island Citizens' Historical association, who is visiting here. Mr. Coggeshall was asked for advice relative to the disposition of the find, and will be instrumental in securing a portion of it for presentation to Bowdoin college.

The original discovery of Indian relics on the Spring farm was made in 1878, when utensils and instruments made and used by the Indians of a very early period, and two skeletons holding hammers in their hands, were found.
